

Form E-1-A for Boston College Core Curriculum

Department/Program: EARTH AND ENVIRONMENTAL SCIENCES

This spring we also completed an Academic Program Review, assessing the department since the last review in 2010. We analyzed the annual number of core courses taught, enrollments, and grade trends by demographic.

4) Who interprets the evidence? What is the process? (Who in the department is responsible for interpreting the data and making recommendations for curriculum or assignment changes if appropriate? When does this occur?)
