“...the Boisi Center for Religion and American Public Life, Boston College, has been a great resource for me in my research on the intersection of religion and public life. I have been particularly impressed by the Boisi Center’s commitment to providing a complete set of the Boisi Center Interviews and audio, video, photographs, and transcripts from our events. I have found this to be a very helpful resource for my research and I am grateful for the Boisi Center’s support of my work.”

—Pope Francis, *Evangelii Gaudium* (2013)
